This is Ron's final HST presentation.

With the implementation of the HST only weeks away there are a number of very important points for the construction business to consider.

Companies and business will have to give consideration to the following:

Did you know you will have to increase your mark up for overhead and profit or you could lose a significant percentage of your profits?

Companies with annual sales cannot file paper returns effective July 1, 2010

Do you know how PST paid inventory will be dealt with at July 1?

Did you know that buying vehicles and equipment will be 7% cheaper starting July?

Additional topics to be covered include:

1. Recording sales and costs
2. Pricing policies & Estimating – increase your mark up or lose money
3. Cash Flow
4. Residential construction
5. The Ten Million Dollar Rule
6. Transition Rules
7. You can't file paper returns if your sales are \$1.5M or more
8. How do I manage the process to my best advantage – Tax Planning Opportunities

Time will be permitted for a questions and answer session
