- You've changed your mind
- You've decided our product is "Not what I need"
- You've decided to stop using the software
- You've found a different solution

REFUND PROCESSING

Refunds are processed by the same payment processor you used to subscribe. Refunds are issued up to 7 business days after they are requested. The actual date of receiving the refund depends on the payment processor and the method of payment. Refunds through a credit card company take time. This period of time is outside our control.
